

HORSE DONATION PROGRAM

The UConn Department of Animal Science accepts a number of eligible horse donations per year.

The decision to accept a particular horse is at the discretion of the Department of Animal Science Equine Donation Committee.

Guidelines

- Horses should not be older than 15 years
- Horses should be sound, with no health issues
- UConn considers breeds that fit the current riding disciplines offered:
 - e.g., Dressage, Western, Hunt Seat, Polo and Trail Riding
- Horses should have an even temperament
- Horses should not have any vices
- A current photo and/or video of your horse is required

To inquire about donating a horse to the Department of Animal Science Equine Program, please email kimberly.syme@uconn.edu with a detailed description of your horse and a photo or video, or call **(860) 486-2034**.
