## Do I need to take any examinations to meet program requirements?

- Do I need GRE? No.
- Do I need English proficiency tests? May be.
- Review English proficiency requirements on the Grad School link above.

2

## Should I reach out to faculty before the application process?

- Highly recommended!
- Review faculty research profiles  
<https://animalscience.cahnr.uconn.edu/faculty-staff/>
- Reach out to faculty in your area of interest to discuss open positions and funding opportunities.

3

## Do you offer teaching assistantships?

- We do not offer TAs to incoming students

## Gather your application materials

- Begin preparing materials (statements, letters, etc.)
- Contact your reference for letters of recommendation
- Take the required examinations (early!)

4

## Is there a Fee Waiver policy

- Check if you qualify @
